Dear President Bush,
My name is Brandon Werstler.
I am eight years old. I love to play baseball. I am a pitcher. When I grow up I want to be a police officer. My big brother Bradley is in the Army in Iraq. He is not famous but he is my hero. I hope he stays safe in Iraq. Thanks for letting my big brother fight in Iraq for our freedom and the Iraqi people. President Bush you are the most powerful man in the world. I would like to meet you because it will be a honor. I remember when 9/11 happened. I hope you would be my President for ever. Thank you for protecting our country. Evil people will always try to kill us.

I was born with Cystic Fibrosis.
My dad and mom has started a foundation
to help me and other kids with
CF to get new lungs. It is called
Caring Now for kids with Cystic Fibrosis.
When I was seven I meet Congressman
Jo Bonner. He is another famous man. He
has been helping my dad help other kids
like me with C.F. to live longer.
1296 kids die in a year because
there is no money for the surgery.

I hope I can meet you because you are
my Hero!

all Thank You with
my Love,
Brandon
